STOP SAYING

~~"You might want to be a bit more careful."~~

Steady

SWIPE →

It hides the problem.

Careful with what? They hear a tone, not a clear change.

SAY THIS

“The pricing slide had errors. Check the numbers before you send it.”

Be kind and specific.

Say the moment, then the change you need next time.

The first time you say it shouldn't be the real time.

Practice it out loud with Steady.
